*This is the chosen and holy day, first of Sabbaths, king and lord of days,  
the Feast of Feasts, holy Day of holy Days; on this Day we bless Christ forever.*

**Сердечно поздравляем Вас со Светлым Праздником Пасхи  
Господней и молитвенно желаем Вам светлой пасхальной  
радости, мира, здравия и спасения. Да ущедрить Вас  
Тридневно Воскреший Господь Своими великими богатыми  
милостями. *Христос Воскресе!***

**нед. Архимандрит Иоанн с братией**

**May the joy of Christ's holy Pascha remain with us throughout  
the year and the comfort be with us throughout our lives as we  
struggle daily to attain spiritual holiness so that we may meet  
the Lord at His second coming.**

*Христос Воскресе!  
Воистину Воскресе!*

*Christ is Risen!  
Indeed, He is Risen!*
